BSc Finance
Your University, 2015 - 2019

Credentials

CFA Level 2 candidate
FMVA certified

Profile

Financial analyst with five years of experience in equity research and corporate finance. I build valuation and risk models, and turn them into clear recommendations for investment committees and clients.

Experience

Senior Analyst

Northbridge Capital | 2023 - Present

- Cover 15 financial-sector stocks and present monthly recommendations to the investment committee.
- Built a Python and Power BI risk dashboard that cut weekly reporting from 6 hours to 20 minutes.
- Improved forecast accuracy by 18% through driver-based modelling.

Financial Analyst

Meridian Advisory | 2021 - 2023

- Built valuation and budgeting models for corporate clients in banking and real estate.
- Screened 60 precedent transactions to support a deal advised at 9.2x EBITDA.

Junior Analyst

Harbour Securities | 2019 - 2021

- Supported the research desk with filings analysis, earnings summaries and data cleaning.

Selected projects

DCF valuation of a regional bank
Three-scenario DCF model and 12-page initiation report with price target. **Target price within 4% of 12-month outcome.**
Excel, DCF, Sensitivity analysis

Portfolio risk dashboard
Automated weekly Value-at-Risk and drawdown reporting for a 30-stock portfolio. **Reporting time cut from 6 hours to 20 minutes.**
Python, Power BI, VaR

M&A comparables analysis
Benchmarked EV/EBITDA multiples from 60 precedent transactions for a mid-cap deal. **Supported a deal advised at 9.2x EBITDA.**
Comps, Bloomberg, PowerPoint
